➤ Place students accurately and reliably

with the Oxford Online Placement Test. The test includes both *Use of English* and *Listening* and tests form and meaning. The questions adapt to the level of the student making the test short yet reliable. Marking is automatic and the result gives you an overall score, individual section score, and the equivalent CEFR levels.

➤ Help candidates prepare for

their exam with Online Practice Tests. Assign practice tests for TOEIC®, TOEFL iBT™, IELTS, and Cambridge Exams so your students can familiarize themselves with the exam and you can see how they perform. Automatic marking, instant feedback, exam tips, and useful phrases mean students actively learn from the experience. Track students' progress using the Learning Management System inside oxfordenglishtesting.com so you can identify common and individual weaknesses to focus on in class.
